## TECHNICAL SKILLS

Javascript | React | Node.js | HTML | CSS | Express.js | SQL | MongoDB | jQuery

## PROFESSIONAL EXPERIENCE

**Quizmaster, Geeks Who Drink** Fort Collins, CO Jul 2015-Aug 2018

- Hosted a popular weekly trivia event for 60-80 participants.
- Worked independently with no immediate direction or supervision.
- Maintained a strict attention to detail while under time constraints.

**Field Engineer, Mortenson Construction** Fort Collins, CO Nov 2015-Aug 2017

- Served as the liaison between project owner, design team and construction team ensuring successful delivery of a \$9 million dollar neonatal intensive care unit.
- Problem solved constructability issues while keeping to a tight schedule.
- Reviewed pay applications and invoices from vendors and subcontractors for accuracy.

**Assistant Superintendent, Beck Group** Fort Collins, CO Oct 2014-Nov 2015

- Directed construction activities on multiple, million dollar projects simultaneously.
- Produced construction schedules that coordinated workflows for numerous subcontractors and ensured successful delivery to the city of Fort Collins.

**Carpenter, Johnson River** Fairbanks, AK Jan 2014-Sep 2014

- Worked as a member of a small project team that successfully completed an urgent care renovation two weeks ahead of schedule.

**Infantry Sergeant, US Army** Fort Wainwright, AK Mar 2006-Mar 2011

- Coordinated logistics for a remote company of 200 soldiers while on a year long deployment in Iraq.
